The area was first settled by the Indian tribe - the Pinole Indians - who lived in small huts made of brush and bark. The Russian fur traders who arrived in 1812 to locate the mouth of the Golden Gate Channel, built a small settlement of 12 huts and a store. The Pinole area was then a part of the Russian colony of Fort Seward. In 1847, the Pinole area was sold to the United States and became a part of Contra Costa County. WE HAVE A NEW SHIPMENT OF AMERICAN FLAGS

We have purchased 25 made-in-the-USA American flags, with beautifully embroidered stars and sewn stripes.

These durable flags, resistant to fading and fraying, are made of Dupont Solarmax nylon fabric. They look great and fly well in low wind. Made for outdoor use, they also look great indoors.

They have brass grommets attached to heavy canvas pole ends and combine lustrous beauty with superior wearing quality and excellent fly ability.

These flags are made by the Valley Forge Flag Company, and are directly comparable in both

quality and durability to flags sold by leading home improvement and retail stores for up to \$30. This size is suitable for flagpoles from 15 to 20 feet.

These flags are only \$25, including sales tax. We'll deliver if you live in West Contra Costa County. If you live out of the area we will

ship the flag to you for an additional \$5. We also have flag poles for \$5. We do not ship the poles.

To order, send a check payable to the Pinole Historical Society to P.O. Box 285, Pinole, CA

We also sell these flags at our Pinole Farmers' Market booth. We'll be there twice in September, on the 14th and 28th.

These photos were a gift from Larry Neptune, president of the El Sobrante Art Guild. Mike LeFebvre provided the photo captions.

PHS INTERVIEWS ON CITY OF PINOLE WEBSITE

Miss one of our history programs on Pinole Community TV? Don't despair. The city's website has a dedicated section devoted to PINOLE HISTORY on its "Videos Online" page.

You can view the numerous PHS programs right on your computer. Go to the city's

website www.ci.pinole.ca.us/about/videos.html and scroll down to PINOLE HISTORY.

You'll find our interviews, Veterans Day programs, George Vincent's two walking tours of historic downtown Pinole, and the very fine PCTV-produced, 12-part series based on the Historic Walking Tour brochure. It's great TV!

PHS SEEKING FAMILY FILMS FOR HISTORICAL ARCHIVE

Got film? The Pinole Historical Society is embarking on a major project to archive the city's history. We want to establish a permanent, digitized collection of Pinole's history.

Do you have film of past Holy Ghost parades, Pinole Valley High School Homecoming parades, Memorial Day or July 4 parades?

How about important athletic events, such as a high-school football, basketball, baseball, softball, or volleyball games?

Perhaps you have film of an important event that took place in Fernandez Park, or a ribbon cutting or an event that has a place in Pinole's history — such as the 1958 flood?

We're looking for any video or film you have — VHS, Beta, camcorder, DV tape, 8mm, Super 8mm,

16mm, 35mm, motion picture.

Nearly everyone has taken home movies. That makes everyone who has taken film a historian.

We want to collect, digitize, catalog, and preserve old movies on DVD (and whatever formats are to come) to exhibit, educate, and entertain.

The PHS will share these videos on a film archive that we will establish, similar to the The Pioneers Film Archive on YouTube created by the California Pioneers of Santa Clara

(www.youtube.com/scppioneers).

Film connects with the past in a unique way. It's immersive, educational, and entertaining. It's a way to get young people interested in history.

Got film? Please contact us at info@pinolehistoricalsociety.org. We'll return your film; we just want to borrow and digitize it.

Richmond Home Front Festival will feature kids' activities

The 7th Annual Home Front Festival on Saturday, October 12, will feature interactive activities for family members of all ages.

Piggy-backing on Rosie the Riveters' motto, "We Can Do It," the festival will present "Kids Can Do It," and focus on engaging youth in their Richmond history.

The event will be held from 11 a.m. to 4 p.m. at the Craneway Pavilion, located in the historic Ford Point Building.

The event will again sponsor the Historic Duck, an amphibious vehicle from the WWII era, to take families on water tours, with an oral history of the nearby shipyards of Richmond, other historic landmarks. Historic WWII buses will shuttle festival-goers from the main festival site to the SS Red Oak Victory Ship.

The festival includes the YMCA's Rosie the Riveter Family Run/Walk.

TWO DOCUMENTARIES BEING SHOWN AT ROSIE THE RIVETER/ WWII HOME FRONT NATIONAL HISTORICAL PARK

A new documentary film called "The War At Home" is being shown daily at the Rosie the Riveter/WWII Home Front National Historical Park. The 25-minute film screens hourly at the park's Visitor Education Center, starting at 11 a.m.. The last screening is at 4 p.m. It's shown seven days a week.

"The War At Home," produced in collaboration between the National Park Service and Signature

Communications, uses oral histories, archival materials, and personal diaries to illustrate the diversity and complexity of the World War II homefront experience, from the perspective of a number of real people who lived in different cities across the United States.

Another 16-minute documentary film, "Home Front Heroes," which outlines the history of defense manufacturing in Richmond, during World War II, is also screened regularly, alternating with "The War At Home."
